

Parcel Shipments

All parcels of less than 150 lbs. should ship via UPS. If you will be shipping via UPS regularly at Accuride Corporation's expense, please work with your Accuride contact to get the appropriate account code.

Truckload Shipments

If your shipment is over 12,000 lbs., contact your local Accuride Supply Chain Manager for preferred carrier routing.

Expedited Shipments

For expedited shipment needs (collect to Accuride), please confer with your local Accuride Supply Chain Manager for preferred carrier routing.

Customs Information

For all domestic shipments going direct to an Accuride customer that requires customs clearance, it is the responsibility of the customer to clear the goods.
