Gunite's 3922XUSA Brake Drum

Gunite 3922XUSA is the only made in the USA drum that is fully produced in-house without contract manufacturing. As a leader in wheel-end engineering and manufacturing, the Gunite 3922XUSA drum excels in the demanding requirements of the heavy-duty trucking aftermarket with a price lower than OE drums. As Gunite brake drums are approved by all North American truck and trailer OEMs, you can depend on Gunite quality for safety and reliability.
